

**at Brad & Ann Parker's  
property 'Bluff-View' north of Monto  
on Thursday 22<sup>nd</sup> November 2007  
8.30am – 3.30pm**

***Field Day and Treatment Demonstration***  
**Forest Practice Thinning and  
Selling Timber from Freehold  
Native Forests**

*Brad & Ann have managed to integrate grazing and timber production as part of their property enterprise for many years*

\* Rohan Allen (AgForests) will discuss and show what producers can do regarding timber harvesting and forest practice thinning in both coloured (remnant) and white (non-remnant) country, and comply with the Veg Mgt Act & Native Forest Practice Code.

\* Ian Moseling (experienced Tordoner & trainer) will demonstrate his 'wide spacing' and more efficient timber treatment method.

**BYO Hat and Chair**  
**Morning Tea & Lunch provided**

RSVP Required for Catering – 0408 769 918

For more info ring:  
Rohan Allen – 0408 769 918  
or Brad & Ann Parker – 4167 8160

**DIRECTIONS – Lookout for the field day signs**

# From Monto head north west towards Biloela on the Burnett Hwy for 10 kms and turn right into Cania Rd (towards Moonford). Travel for 5 kms and turn right into Coppin Rd. Travel for 2 kms and turn left into Clonmel Rd. Travel along and turn right into the house – road sign 304
