

Mosaic Burning

Using fire as a sharpened tool, not a blunt instrument!

This practical workshop will explore the following topics:

How to start a mosaic burning pattern on your place—going from current patterns to mosaics to get the most out of your productivity and ecosystem

Mosaic burning for threat reduction

How to use fire as a sharpened tool, not a blunt instrument—humans may have worked out how to make fire millions of years ago... but we're still working out all the things it does!

Understanding Scale, Frequency and Season when using fire on your particular land type.

Featuring guest speakers

Don Sands— CSIRO Fire Ecologist and Entomologist

Sean Ryan— Private Forestry Southern Qld (PFSQ)

Bill Schulke—DPI (DEEDI)
