

# Healthy Soils Workshop

Tansey Bowls Club – 6<sup>th</sup> February, 2012

Time: 8 am – 5.30 pm

Cost: Free

Based on the highly regarded Grazing for Profit School, the Healthy Soils Workshop is focused on understanding the strong link between how livestock are managed to improve the health of land and profitability of business;

- Increasing ground cover to reduce erosion
- Improve sustainable farm practices

The primary benefits gained for attending this motivational one day program include;

- Understanding the linkages between healthy soils, healthy animals, healthy people and healthy profit
- Understanding how, as land managers, we influence those linkages
- Motivation and discussion of cutting edge topics
- Practical tools and tips to take home and implement

Primary producers in the Burnett Mary region are invited to attend this fascinating workshop.

Knowledge gained in the Healthy Soils workshop will empower participants to increase the overall health, productivity and value of their land.

The Healthy Soils Workshop content will also include the Principles of Sustainable Grazing, How Plants Operate and the Ecology Management Model.

**Numbers are limited.** To book your place at this *free* workshop please RSVP to Belinda Pennell at SEB Landcare on 07 4168 6064 ASAP.

*Workshop participants may be eligible to apply for a grant up to \$3,000 to implement on-ground activities identified at the workshop. These activities will be aimed at improving sustainable land management practices, focusing on soil health. Grants are only available to workshop attendees from within the Burnett Mary Region.*
