Erosion Training Day in Monto

*Do you have gully erosion that keeps spreading?
Do you want to know how to treat different types of erosion?*

The day will cover:

- Types of creek bank and bed erosion
- Causes of erosion
- Field trip to local erosion sites
- Erosion remediation options

The erosion expert:

Grant Witheridge is the principal of Catchments & Creeks Pty Ltd, and a leading authority in Hydraulics, Stormwater Management, Waterway Management, Erosion & Sediment Control and associated Industry Training.

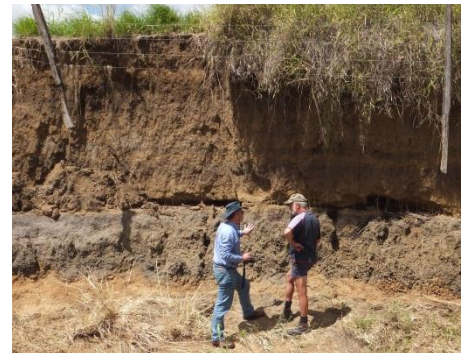

Training day program:

12:30pm Introduction to erosion types and summary of erosion sites to be visited in the field

1:30pm Field site erosion visits to three properties around Monto.

5.30pm BBQ dinner, presentation of remediation options for field sites and question and answer time.

When: Friday 22 June 2012

Where: Monto Scout Hall, Kelvin St, Monto

Time: 12:30pm with BBQ dinner provided after field trip

Cost: Free to all landholders

RSVP: To BCCA on (07) 4166 3898 by Wed 20 June 2012
