AN INITIATIVE OF THE BURNETT MARY REGIONAL GROUP

**BGA Agriservices (BGA) and Burnett Catchment Care Association (BCCA)**  
Presents workshops on

## Understanding the South Burnett Black Soils

*Are you interested in understanding the Black soils and how they  
can be managed better?*

The workshops will cover;

- Overview of recent soil testing results in the region;
- basic soil chemistry,
- nutrient removal rates from different agricultural systems,
- basic fertiliser strategies;
- Growers will be asked for their current fertiliser program, and look at how effective they are; and
- BCCA will provide details on the Better Catchments Program, with details on the Small funding grants\*, which will only be available to participants attending this workshop.

\* Funding grants will be limited and will be assessed and approved by a panel.  
Successful applicants will be required to sign a project agreement with Burnett Mary Regional Group.
