

## FUNDING FOR GRAZIERS

# LOWER BURNETT GRAZING PROJECT

---

The Reef Water Quality - Burnett Grazing Project is offering graziers located within the Lower Burnett subcatchment the opportunity to undertake Property Management Planning as well as access to one-on-one advice and funding to help improve groundcover and grazing management practices.

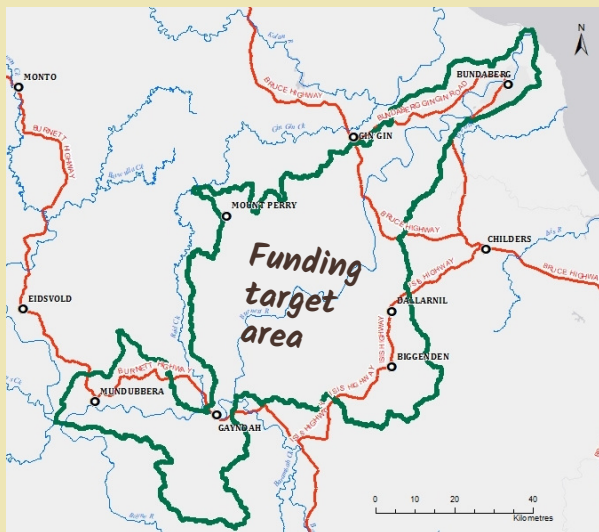

### FOR MORE INFORMATION, CONTACT:

**VERONICA CHAPMAN**  
**BURNETT CATCHMENT CARE ASSOCIATION**  
**E: ADMIN@BURNETTCATCHMENT.ORG**  
**P: 07 4166 3898**

If you are concerned about poor ground cover, bare patches or erosion areas on parts of your property and want some advice on how best to tackle your issues, get in contact with us today!

## THE LOWER BURNETT GRAZING PROJECT FOCUS AREA

## THE LOWER BURNETT GRAZING PROJECT COULD PROVIDE FUNDING TO:

- fence off creeks or different landtypes
- install additional watering points
- repair eroded gullies
- receive professional advice from a grazing or erosion management expert

*If you are interested in the Lower Burnett Grazing Project, please email us by 12 Feb 2021 with your name, property address & contact details to: [admin@burnettcatchment.org](mailto:admin@burnettcatchment.org), and quote "Lower Burnett Grazing Project".*

*Alternatively, call BCCA on (07) 4166 3898*
